

———— JUNE 25, 2017 TRANSITION TEAM ANNOUNCEMENT ————

As many of you are aware, the Official Board has undertaken to reform our Governance Structure.

We as a congregation must now decide if we will go forward with the changes outlined in the Report by Martin Horak and accepted by the Official Board at its May 17 meeting.

We encourage you to read the Report which outlines in detail how the new model is to work.

The Report is available on the Wesley-Knox website via a link on the Home page. Printed copies are available on the information table at the back of the Sanctuary.

A transition team has been formed to undertake the implementation which includes making all the information available to you, so that you can make an informed decision.

The Transition Team consists of Liz Phoenix, Carl Hearn and myself.

We encourage you to ask questions or make comments.

You may speak to any of the team members. We'll publish our phone numbers and e-mail addresses in the Sunday service bulletins.

We have also put a small Blue Box on the Information Table at the back of the Sanctuary for written comments and/or questions. Don't forget to include your name so we can get back to you.

On Sunday, October 15, we will have a Lunch and Learn session at which Martin will make a short summary presentation and lead a discussion.

The Transition Team has had two meetings in recent weeks. So far, we've been concentrating on getting the information to you and arranging for the October 15 session.

There's more to do and we will continue to update you over the summer and fall.
