

# The Wesley-Knox Kindred Spirit Connection

Moving in the Spirit...

Autumn – Thanksgiving 2015

From Rev. Tracy

In your hands you hold a Kindred Spirit Connection with a new logo and tagline. These were developed out of a desire to promote the ministries at Wesley-Knox in ways that would not only be inviting but also communicate that Wesley-Knox is a thriving church striving to live out Christ's ministry in the world. You will soon see this logo and tagline in many places around our church—in bulletins, on the website, in our advertising and more. We hope that, by consistent use, this logo and tagline will help people easily identify our church.

Our new "Moving in the Spirit" tagline reflects how we, as a faith community, are enlivened and empowered by the Holy Spirit to follow wherever God calls us to serve. The logo is a stylized nautilus—the chamberlike shell that is the work of the creature that lives inside. As the creature grows, it builds onto its shell to accommodate the next phase of its life. The spiral shape of the nautilus shell suggests it will continue to grow and build forever, and that the creature inside actually must grow and build if it is to live and thrive.

Wesley-Knox has a long and strong history of serving the God we meet in Jesus Christ. It has been and continues to be the spiritual home of countless people and we are blessed—like the nautilus—to be growing, building on the work of

what was done before. We are now moving into the future with a deep understanding that God has plans for us and we are excited by the many ways we are being called into ministry. The Spirit is moving in us towards a deeper connection with God, with one another and with the world.

Note that the Wesley-Knox nautilus is much like our church. It is open with access points, just as our church is open with access points for everyone at every stage of their life's journey. There are so many ways that people can engage in our faith community and grow their connection with God. One only needs to read through this Kindred Spirit Connection to see how many lives can be touched through the many ministries in which we engage.

"Moving in the Spirit" will continue to grow in meaning as we develop new vision and mission statements and live into our future at Wesley-Knox. We will each be personally invited to "Move in the Spirit" through outreach and service, worship and music—learning, growing in faith, and caring for one another.

There is a place for everyone at Wesley-Knox. I pray that you will be inspired and allow God's Spirit to move through you in ways that will transform your life and the lives of those around you, so that you too will "Move in the Spirit."

May it be so. Peace to all.—Rev. Tracy Crick-Butler

It may be election time but there's no partisanship here. Linda Woods and other members of Wesley-Knox UCW recently presented Dolls—"Dolls of Hope" to representatives of the Conservative, Liberal and NDP parties to raise awareness of child poverty in Canada. From left to right, Conservative candidate Susan Truppe with Nell and Molly, Liberal candidate Kate Young with Sophie, and federal NDP leader Thomas Mulcair with Henry.—Linda Woods photos

**Megan Westbrook-Loerchner**

## From our Music Director

Greetings from the Music Department as we begin another rich and exciting season at Wesley-Knox. This year promises to be especially fulfilling as we focus our musical life through the lens of our new Wesley-Knox tagline, "Moving in the Spirit". This tagline promises to enliven our outreach and our faith life together. I am excited to see where it will lead us.

Our season begins this month with all of our wonderful choirs starting up again. We ended last spring with a major recording session and, thanks to the work of John McFall, we now have several videos of our beautiful singers up on YouTube. Just go to YouTube and type in Wesley-Knox United Church Choirs and you'll see us all there. Or go to the Wesley-Knox website, [www.wesleyknox.com](http://www.wesleyknox.com), and in the left sidebar, click on YouTube Channel, play and enjoy. Tell your friends and family to check us out as well.

There's still room in all our choirs for more singers, so if you are inspired, or know of someone who would like to join us, don't hesitate to let us know!

This fall, Friday, October 30 (the night before Halloween—the kids call it Devil's Night) should be one very fun night for families and the whole neighbourhood. We'll be offering a silent movie, Lon Chaney's 1925 classic, *Phantom of the Opera*, accompanied by Stratford's Ian Sadler on our magnificent Wesley-Knox organ. Don't miss this rare opportunity to experience something really unique and wonderful. Spread the word!

Another fall highlight: On Sunday, November 15, all of our choirs will be singing together at once. Both a glorious sight and sound, this is a perfect service for bringing guests to our church.

It's not too early to think about our 2015 Christmas concert with the Senior and Junior choirs, Denise Pelley, Steve Holowitz and the band, Saturday, December 5. This popular concert falls on the same day as Christmas in the Village and UCW's new Christmas Bazaar. With all of these events coming together, people are really going to know about it. We have every reason to expect a full house, so get your tickets early!

Do keep checking our great website, as there will be other musical events and gatherings this fall. In the meantime, see you in church, *Moving in the Spirit!*  
—Karen Schuessler, director of music

**Deadline for the next  
Kindred Spirit Connection is  
Sunday, November 8**

## From our Director of Children's and Youth Ministry

We had an incredible summer at Wesley-Knox. Emma, Jon and Kennedy, our three student leaders, got right to work planning daycamps and drop-ins for the children of Wesley-Knox and surrounding community. Over the course of our camps, children used every inch of our building plus the local pool, splashpad and parks. We ate together, played together, sang together and with those in the seniors' program, and reflected on various themes—gifts, family and hope just to name a few. At our Go-Project camp, we split time evenly with Riverside United Church. We visited the London Food Bank, Sprout Children's Community Gardens, Riverside Retirement Home and engaged in activities centred on what it means to be "salty". We had amazing congregational support for rides, snacks and meals. Thanks so much for all who gave their time—it certainly was a group of cheerful givers! A huge thank-you also to our youth volunteers who continue to grow and deepen their gifts of leadership. They are a continual source of inspiration to me and the children they serve. **Barb's report continues ►**

## Bread not Stones Taking Action to End Child Poverty in Canada

Right now, in 2015, there are approximately 1,000,000 children living in poverty in Canada. This includes 50% of the Status First Nations children living in First Nations communities.

Bread not Stones is a critical United Church of Canada project to raise awareness of and eliminate child poverty in our country. It is also the National UCW project for 2015 and beyond.

Those of us in Wesley-Knox UCW have been very active in promoting this initiative. And we have been blessed to receive wholehearted support of this caring congregation. Thanks to generous funding from UCW at all levels and the new Wesley-Knox Faith in Action Committee, Laurel Kenney, from First-St. Andrews, the dolls of hope and I were able to attend the 42nd General Council that met in Corner Brook, Newfoundland, in August. Our mission was to forward the national church's powerful letter concerning child poverty to our political leaders—to have 1,000 letters sent to each major party leader during the 2015 election campaign. True to form, we never stopped talking, and given the number of people we approached from across Canada, we're sure that number will be reached. We spread the word about Bread not Stones to everyone we met.

While at General Council, it was our honour to present one of our Dolls of Hope to Perry Bellegarde, National Chief of the Assembly of First Nations. He spoke with us about the staggering percentage of First Nations children in poverty, many living in unimaginable conditions in our rich country.

Now, during this federal election campaign, we are meeting candidates from all parties to present them with the church's compelling letter and to ask the tough questions about child poverty in Canada. We encourage you to do the same.

We have great news to share! We have just created a new, website for the Bread not Stones initiative! Please take a look at [www.endchildpoverty.ca](http://www.endchildpoverty.ca). Find out what we've been doing and what you can do to help our most vulnerable children.—

*Linda Woods, co-leader, UCW Unit 4*

**ANF Chief Perry Bellegarde with Dolly**

■ **Barb's report continues...** As we head into the fall, there are two small changes in our Sunday School. The grade 7/8 class is now a 6/7/8 class, and instead of meeting in the library on the main floor, will now meet upstairs in the Senior Sunday School Room. JK-2 and grades 3-5 will use the new rooms off the Primary Choir area. If you have any questions please contact me.

A reminder to please register or re-register your child or young person (18 years of age and under) for our Sunday morning programming. Registration forms will be available on Welcome Back Sunday, September 27, through e-mail request ([mcgill4556@gmail.com](mailto:mcgill4556@gmail.com)) anytime or on the Wesley-Knox website.

This year, the children will continue to collect loose change in Sunday School—we doubled our penny jar earnings with our hot dog sale last spring and now have a nest egg to support a youth mission! We do have Sunday School envelopes available to ensure that your child's givings will contribute directly to our Sunday School program. These envelopes are available upon request.

Moving in the Spirit and looking forward to another great year at Wesley-Knox!—*Barbara McGill, Director Children's and Youth Ministry*

## Friday Movie Nights at Wesley-Knox

7:30 pm in the Centennial Parlour. A great way to spend a Friday evening! Free popcorn and soft drinks, decaf and dessert after the movie. Often a second feature for night owls. Here's the fall schedule. More in the new brochure available at the church and on the Wesley-Knox website.—DL

Friday, October 2

### **Woman in Gold**

With Helen Mirren and Ryan Reynolds. Based on a true story, a woman's fight to regain possession of a painting of her aunt seized by Nazi Germany during WWII.

Friday, October 16

### **Elsa and Fred**

With Shirley MacLaine and Christopher Plummer. Two people learn that it's never too late to find true love or have their dreams come true.

Friday, October 30, 7:30 pm

### **Phantom of the Opera**

The classic 1925 silent movie starring Lon Chaney accompanied by Ian Sadler on the Wesley-Knox organ. See ad in this KSC.

Friday, November 6

### **Not Another Happy Ending**

With Karen Gillan and Stanley Weber. A struggling publisher discovers she has writer's block. The cause: she is too happy and can't write when she is happy!

Friday, November 20

### **Mr. Holmes**

With Ian McKellen and Laura Linney. Retired Sherlock Holmes finds himself haunted by an unsolved case from 30 years ago. With memory fading, he struggles to remember fragments of the case.

### W-K UCW

We have two fall projects in which all members of the congregation can be involved:

1. We will be selling slices of pie at October 24 Halloween in the Village festivities. We will need volunteers to sell, set up and take down. Contact Jane Walker or Mary Anne van de Vooren, 519.690.2284, if you can help.

2. Wesley-Knox will participate in this year's December 5 Christmas in the Village celebration. The Village bus will stop at the church where we will offer visitors lunch, coffee, tea, etc. and they can check out all the great items we'll be selling at our new Christmas Bazaar

We will be selling our famous pies and other foodstuffs, but there will also be a boutique offering gently used garments, accessories, purses, scarves, etc. Please help us collect items for the boutique. Ask friends to donate. Contact Liz Phoenix, 519.681.3647, and help in us make this event a real success.—*Mary Anne van de Vooren*

### WESLEY-KNOX MEN

All men of the congregation are invited to come to our monthly breakfast on the first Sunday of each month, 8:30 am at the Family Circle Restaurant, 147 Wellington at Grey.

Our monthly community breakfast for members of the public is served on the second Saturday of each month 8:45–10:30 am. Volunteers, both men and women, and some non-members, shop for food, and prepare and serve a nutritious meal for about 100 people. If you are interested in helping with this important project, please speak to Ron Olson or Neil Eadie for details.

Our annual Ham and Scalloped Potato Dinner will be held on Saturday evening, October 17, 5–7 pm. As well as being a fundraiser for the Community Breakfast Program, this is an enjoyable evening out for you and your family. Tickets, adult \$10, children 12 and under \$5, will be available soon.—*Neil Eadie*

### COMMUNICATIONS

In July, the Official Board passed a motion adopting a new tagline "Moving in the Spirit" along with a new logo and new vision and mission and core value statements. [Ed. note: The statements remain under review and should be finalized soon.] This fall, both the Wesley-Knox website and KSC will be rebranded to reflect the "Moving in the Spirit" theme and all its parts. Over the summer the Wesley-Knox choirs' YouTube channel has been updated with several videos shot during a recording session in May. More videos will be added as time permits. The Wesley-Knox Facebook "like page" continues to track upcoming events. A public page (you do not have to be "on Facebook" to access—just click on the link on the Wesley-Knox home page), it is well worth following. Special thanks to Mallory Brennan for managing all the content on this lively Facebook page. As usual, the committee will continue to photograph as many events as possible. Also, new members are always welcome to join us. We'll be at Welcome Back Sunday, September 27, to answer any questions you might have about the work of our committee.—*John McFall, chair*

### DISTRICT VISITORS

Our committee will host an evening for District Visitors at 7 pm, Monday,

**Chris Nichols is our new custodian. Check out his fine work in the gym!**

October 26, in the Centennial Parlour. Speaker will be **Susan Oster** from the **London Alzheimer's Society**. Because so many of us are touched by Alzheimer's in one way or another, this meeting is open to all. Come and bring your questions. Also, if you are interested in becoming a District Visitor, please contact me at 685.1714, [hjbedford2@sympatico.ca](mailto:hjbedford2@sympatico.ca).—*Heather Bedford, chair*

### MINISTRY AND PERSONNEL

At the end of June, Sandra Alvarez Rodriguez resigned as our custodian to open a daycare. Mark Wilcox was hired to ensure that we were open and ready for summer Sunday services. After much discussion, M and P Committee and Property Committee decided to hire Chris Nichols to be our custodian. Chris, as you will know, did excellent work for us renovating the Sunday School. Now, as you move around the church, you will see more of his excellent work. Especially check out the clean and polished gym floor.—*Ian Hardie, chair*

### PROPERTY

#### New Custodian

On July 1, our church custodian, Sandra Alvarez Rodriguez, resigned her position to begin a daycare. At first, the Property and M and P committees explored the option of contracting a company to provide custodial services. However, during discussions, one of our church members, Chris Nichols, expressed an interest in the position. The chairs of M and P and Property interviewed Chris and chose him to become our custodian. It was also decided that the church custodians will receive oversight from both the Property and M and P committees in the future.

#### Boiler and Water Heater Replacement

The old boiler and water heaters have been removed and the new boilers and water heaters have arrived. Our

contractor assures us that installation will be completed by the end of September.

### **Kitchen and Social Hall Windows**

It would appear that windows in the kitchen are past their best-before date. They no longer close properly and continue to leak. Seals appear to be almost non-existent. We asked Douglas Windows (the same company that replaced the office and stairwell windows and capped the remaining windows, including the kitchen) to provide a quotation for replacing them.

### **Storage Shed**

Recently our outside storage shed was vandalized. Persons unknown ripped off the left-hand door and, in the process, did extensive damage. There was concern that, with the door off, other persons unknown might use the shed for illicit activities or start a fire. The door has been now been replaced and relocked.

### **Gymnasium Floor:**

Our new custodian, Chris Nichols, recently stripped and refinished the gymnasium floor. The difference is amazing. If you get an opportunity, please take a look. I understand he will soon be doing the Social Hall and lower hallway floors.

### **Southside Downspouts:**

Aluminum Associates is installing two additional downspouts on the south side of the building. By increasing the number of downspouts here, we should be able to drain away water more quickly during a heavy rain. Hopefully, this will prevent further water damage until we repoint the brickwork on the exterior of the church.

### **Miscellaneous Repairs**

As issues arise, we continue to look after them. We are currently thinking of changing the motion sensors for the main lavashroom lights back to traditional on-off switches. While this may result in some lights being left on, we believe that the simplicity will be most appreciated by many and provide

them with peace of mind while using our facilities.

I hope this brings everyone up to speed on Property Committee matters. If you have any questions, please speak with me. *Chris Mortlock, chair*

**Have you checked out your church website lately? You'll discover info, sermons, photos, videos and more. Click on Wesley-Knox 360° for a tour of our sanctuary. Click on YouTube Channel for videos of our wonderful choirs. Click on Facebook for the latest on what Wesley-Knoxers are doing. Click on the Our Faith link for a succinct summary of our faith. Click on Explorations and challenge your mind. It's all at [www.wesleyknox.com](http://www.wesleyknox.com).**

---

### **PROPERTY USE**

Our "property" was quiet over the summer but much was celebrated. There was a wedding, a celebration of life, two very special anniversaries, summer daycamps, the seniors' celebration and barbecue with MP Ed Holder, a week-long camp for Children's International Summer Villages, music exams and more.

We all watched the PanAm games and ParaPanAm games and we were pleased to see Adam Dukovich bring home a silver medal. Adam is a paraolympian who uses our gym on occasion to practice bocce ball.

We are now receiving many inquiries about renting our facility so, once again, we ask all groups to book meetings, rehearsals and events as early as possible with Heather and add them to the calendar in the back hall.

We will be a polling station in the upcoming federal election. On election day, October 19, there will be five polls in the Social Hall. We also will host an advance poll four days on October

9-12. This is just a single poll and will be in the Centennial Parlour to avoid conflict with the Community Breakfast program and coffee hour after church on Thanksgiving Sunday.

As fall activities ramp up, we ask everyone to be good stewards of our church home. Please leave rooms as you find them. Check that lights are off and doors are locked. Clean up before you leave and return all equipment to their proper places. Thank you in advance.—*Marg Henderson, chair*

### **STEWARDSHIP**

There is a place for everyone at Wesley Knox, and opportunities for everyone to contribute. This year's Stewardship Campaign focuses on the impact that sharing our time and talent has on one another and on our community.

Our campaign runs from Welcome Back Sunday, September 27, to Dedication Sunday, October 25. Each week between, Stewardship Committee members will share highlights of the effect that our work together has on the world around us. Stories will be focused on our four stewardship themes: caring, reaching out, learning, and worshipping.

On October 25, you are invited to join us after worship for a celebratory light lunch and an afternoon of fun and laughter and getting to know one another better as we share our time and talent together doing a variety of jobs at Wesley-Knox and in our immediate neighbourhood.

There will be jobs to which everyone can contribute. For those not able to participate, "take home opportunities" will be available to complete during the week. Whichever you choose, we look forward to having you involved!

If you have an idea for a job that needs doing, please drop a note into the Stewardship Committee mailbox in the back hallway or e-mail me at [trjohnso@london.ca](mailto:trjohnso@london.ca).—*Trevor Johnson, chair*

### Knitters Have Itchy Fingers

Donations of wool from those of us who don't knit can be found at the back of the sanctuary, beneath the large table. And more donations will be needed soon because, over the next three months, the "magic" knitters in our congregation will be turning all of this donated wool into beautiful mitts, toques and scarves. These warm articles will be distributed at the December Community Breakfast and Out-of-the-Cold Supper. Clients will be invited to take at least one item and encouraged to take two, so many items will be needed. Toques and long scarves are particularly popular and dark colours seem to be best. Look for the Mitten Tree early November to see the great work that is being done, and knit if you can.—*Cathie Banks*

### Handbells—Developing Your Creative Side

The Wesley-Knox Handbell Choir is currently accepting new members for the fall/Christmas season. If you are in grade 7 or older, free most Wednesday evenings (6:15–8:15 pm) and think you have what it takes to be part of a team that enjoys making beautiful music together, this may be for you. Contact Cathie Banks, 519.471.2351, [cdbanks@rogers.com](mailto:cdbanks@rogers.com)

### Attention Sunday Bus (and Potential New) Riders

There have been rumours concerning the future of the Sunday bus service at Wesley-Knox. Please rest assured that there is no danger of any change to this service in the foreseeable future. It is a service that the congregation at Wesley-Knox sees as very important. But it is also very expensive—approximately \$1000 per month.

To find the best financial and comfort option, members of the Transportation Committee have been investigating several ideas including cabs, LTC, Voyageur, and sharing bussing with other congregations. Our two yellow school buses covering two separate routes (Cherryhill and Mornington-Ridout-Grand) is the most financially viable option at this time.

Riders are asked to consider a donation of \$5 per Sunday to help defray the cost of these buses. Also, anyone can make a donation to the bus program. Just be sure that you clearly mark any donation with your envelope number and direct it to the Transportation Fund.

Monies committed to our bus service will run out within the next two years. Hopefully, our Transportation Committee can come up with a viable alternative this year.

I often wonder what could happen if more people took the bus. It would certainly mean less wear and tear on cars, fewer cars in the parking lot and perhaps more \$5 donations. If you would like to consider signing up to ride the bus to church, please contact me at 519.471.2351.

—*Cathie Banks*

### Dwelling Place Program Resumes

Once again this fall, Wesley-Knox is pleased to offer the Dwelling Place Program, a faith-based support program for those struggling, or who have struggled, with depression. Depression can be very lonely—a time of isolation. The Dwelling Place offers a refuge during this difficult time, offering hope and faith-based support in a safe and non-judgmental environment.

In its second year at Wesley-Knox, the program has been expanded to six sessions and will be offered to members of other congregations. It is anticipated its six sessions will occur on the third Tuesday of October, November, December, January, February and March.

Enrollment is limited to ten participants. Please contact Rev. Tracy Crick-Butler at the church who will confidentially connect you to program leaders.—*Dean Morris*

### Get into the SACK!

It's not too soon to think about Christmas and SACK, the Salvation Army Christmas Kettle Drive. Why not sign up now? Wesley-Knox dates this year are Monday–Saturday, December 14–19 at the Metro Supermarket, Wellington Road at Commissioners. See you in the SACK!—*Richard Yake*

A busy summer. Left to right: Four young people were confirmed at a special service on June 14. The Wesley-Knox booth at Gathering on the Green. Martin Horak and Amanda-Lynn Stublely relax at Wesley-Knox Family Camp.

## From our New Faith in Action Committee

While our committee took a break from meetings over the summer, exciting things continued to happen. We are so excited to be kicking off the newly restructured and renamed Faith in Action (FIA) committee. Instead of just one committee trying to run a number of projects during the year, there are now teams that will focus on specific areas. This will make it easier for you to come on board for short- or long-term projects. Yes, we want you to be a part of FIA. Here are the Teams:

### Global Action Team – led by Jessie Read

- Supports international and national outreach projects
- Upcoming projects – a number of members of the congregation have expressed an interest in the Syrian Refugee Crisis. We will be looking for volunteers

### Hospitality Team – led by Cathie Banks and Neil Eadie

- Provides hunger relief, emergency clothing & a W-K “hug” to the community
- There are many existing projects already in place which can always use more volunteers – Out-of-the-Cold Dinners, Community Breakfasts, Socks and Mittens Trees, Salvation Army Christmas Kettle. But we need your help looking for new projects.

### Economic Sustainability Team – led by Sheila Carson

- Supports individuals seeking longer term financial and food security and independence
- Upcoming projects – the Mamas to Mamas Little Big Sale to be held at Wesley-Knox on October 3. This is a sale of gently used baby and children’s items with all proceeds going to the London Food Bank. The annual Food Drive will also take place in October. A busy season lies ahead!

### Environment Stewardship - led by Tony Haworth

- Also known as the Green Team, this group will focus on environment sustainability in our homes, church and community
- There are no current projects under way this fall, since spring has typically been the time of year when the majority of projects take place (electronics recycling, tree planting, etc). We are looking for new ideas on how to make a difference to our environment, so please talk to Tony!

Two additional teams, **Social Justice** and **Education and Mentoring**, will launch a bit farther down the road.

As you can see, exciting things are happening. But we need **YOU** to be a part of the Faith in Action movement. The new structure means you can be involved in projects that speak to your interests and passions. Your time commitment can be limited to a specific project or perhaps you are interested in becoming involved with projects that require longer term strategies. The important thing to know is that, whatever you can do, it will make a difference!

So please talk to one of the team leaders or to me. I can be contacted at 519.657.6901, sheila.m.leclair@rogers.com. We are excited about getting you involved. For those of you who have already given me your name, we will be contacting you soon. Great things are happening at Wesley-Knox. It is a wonderful place to be.—Sheila LeClair, chair

More busy summer. Left to right: Wesley-Knox in the London Pride Parade. Kids at Wesley-Knox Summer Day-camp. Federal MP Ed Holder comes to our Seniors’ Barbecue—and maybe did a little campaigning!

## Autumn 2015 Calendar

### Special Services

**Welcome Back Sunday**  
Sunday, September 27, 10:30 am

**Worldwide Communion**  
Sunday, October 4, 10:30 am
