

10 Word Story

This is a fun little activity that you can play at your dinner table!

All you need is your imagination!

For this game the objective is to make an entire story, using only 10 words!

Take turns going around the table with every person saying one word until you have 10 words and a story!

Anyone can play and the story is as good as your imagination. Try it again and see if you can come up with a beginning, middle, and end with only the 10 word limit.

If it's too difficult, make it 20 words and see what you can do!

This simple game gets you thinking, gets you using your imagination, and hopefully gets you laughing!
