Funeral Services and Celebration of Life Services

We extend our condolences to you and your family during this difficult time. Wesley-Knox United Church aspires to be a place where we can assist you to honour and celebrate the life of your loved one within a Christian community. We want to support you with your arrangements for a Funeral or Celebration of Life service.

A Funeral service is held shortly after death has occurred and typically a casket is present in the Sanctuary. A Celebration of Life may be held later, with or without the cremated remains of the deceased. For both services, flowers, photos, and objects of significance may be displayed in the sanctuary.

It is suggested to have a funeral home involved in the planning and implementation of a service held in the church. There are many decisions required and their assistance and expertise will help reduce your stress and allow you and your family time to reflect, reminisce, and mourn. The funeral home staff will liaise with the church and will be present during the service to facilitate the arrangements.

To arrange a Funeral or Celebration of Life at Wesley-Knox, your funeral home may contact the church office at 519-673-4803. Our Office Administrator will confirm the availability of your date and time, and arrange for other staff and volunteers, as necessary, in cooperation with the funeral home.

Grave-side services are available at the discretion of our Minister.

Clergy

Funerals and Celebrations of Life are conducted by our Minister. The minister will meet with the family to offer pastoral support, plan the service, and provide guidance.

The Service

The sanctuary at Wesley-Knox can comfortably seat 100 people on the main floor and 300 people in the balcony. The chapel is available for smaller intimate services and comfortably seats 50 people.

If you would like an Order of Service (Bulletin), please advise the Office Administrator.

Flowers are often part of a funeral service. The funeral home will transport flower arrangements to and from the church and arrange an appropriate display. Removal of flowers and objects of significance are the responsibility of the family.

Video Projection

Presently, we do not have screens installed in our Sanctuary; however, we do have alternate options for video programming upon request and in consultation with the AV team.

Music

Music may be an important aspect of your service. Our Music Director will participate by assisting in the musical selections and playing the organ or piano.

Additional requests for special musicians or soloists may be arranged in consultation with our Music Director.

Recorded music is possible if provided to the Office Administrator on a portable drive.

Reception

A reception can be hosted by our United Church Women (UCW). To arrange for a reception and options please contact the Office Administrator. We can accommodate gatherings up to approximately 300 guests. All levels of the church are accessible by a lift.
